

WHAT DID HILLARY CLINTON SAY WHEN SHE WAS ASKED ABOUT GUN CONFISCATION IN AMERICA?

"I think it would be worth considering doing it on the national level, if that could be arranged."

HER OWN WORDS CONFIRM HER PLANS TO BAN YOUR GUNS

When it comes to banning guns and eliminating your rights, Hillary Clinton has big plans. Read them below, in her own words.

“The Supreme Court is wrong on the Second Amendment. And I’m going to make that case every chance I get.”

(Washington Free Beacon, 10/1/15)

Hillary Clinton wants to overturn the *Heller* decision, which held that you have right to keep a gun in your home for self-defense. The Second Amendment was saved at the Supreme Court by ONE VOTE. And now that vote is gone. If elected president, she will immediately nominate an anti-gun justice for the Supreme Court and overturn your right to own a gun.

 **“We’re going to start the very first day and tackle the gun lobby.”**

(MSNBC, 4/25/2016)

Hillary Clinton’s first priority in office would be to attack your rights. She has called the law-abiding men and women of the National Rifle Association her “enemy.” She will do whatever it takes to push her extreme gun control agenda.

 **“When it comes to guns, we have just too many guns.”**

(USA Today, 4/20/2016)

Hillary Clinton has been protected by armed security for 30 years. But she doesn’t believe in your right to keep a gun for self-defense. She thinks there is one set of rules for her, and a different set of rules for you.
